“ My heart goes out to you with the passing of your very special Mother. When I moved to Harwood 8 years ago, Mary Ann took me under her wing and introduced me to the "art" of relaxing, chatting, and working on jigsaw puzzles. I had never met another who took her volunteer job so seriously. I revered her practicality and her diligence as she helped with jobs that were important to her. She was such a love, too. You have my deepest sympathy!

“ Christmas get togethers at Mary Ann's and Al's ,delicious Christmas cookies, sliced beef tenderloin, card games with our uncles and cousins, birthday parties, summer cookouts, the Barracuda that aunt Mary Ann let me borrow, her laughter,recipes she shared, wanting to go to grandpa's store on Howell to see her and aunt Florence and so many more memories of aunt Mary Ann and uncle Al . So very thankful to have her and uncle Al in our lives .God blessed us with fantastic grandparents, aunts,uncles and cousins . We will miss you. Grant eternal rest and let perpetual light shine upon her. Johnny and Linda

“ No amount of words can express how much I loved your mother. She was my “ride or die” Harwood Place. I miss her and life is not the same without her. God Bless Mary Ann and her beautiful family.

“ I am very sorry for your loss. Your mom was my downstairs neighbor at Harwood and our resident "puzzle lady." Everyone knew and loved her. I'll miss her and her many stories about growing up in a large family. God bless you all. Nancy Krueger
