...though with her gearing difficulties, I wish the volume was louder.

Upon using another mobile phone...volume sounds good. Thank you for posting the Mass @ the Basilica.

“ I enjoyed your company at your kitchen table discussing different topics and current events.

I also enjoyed viewing the beautiful flowers in your yard, especially your zinnias, purple asters and climbing clematis.

Thank you for trusting me with some of your care. You will be very dearly missed ❤️ 🙏

That 2024 car collision must've really messed-up some of my ability to type on these little mobile phone keypads... P lease forgive my typos; Karen you did SO much for my Aunt. I don't have the words right now to fully express my gratitude.

Thank you Pat.

In addition to joining Dad and Ed Wizniak for years to Gananoque to fish, being able to listen to his stories of HIS father & decades of his stories about his experiences in Canada, I do find myself thinking about the Great White North more than I realize!

*Funny, I do not recall Mary Ann ever mentioning visiting Canada...but I DO recall Dad talking about the 1967 Montreal Exposition and Lorraine finally accepting his proposal either on the way there or on his return through Milwaukee.
They married in 19t8*
