

Mary F. Caswell

August 3, 2020

Mary F. Caswell, 52, peacefully passed away after a battle with cancer on Monday, August 3, 2020 at home surrounded by her loved ones and her cat Pippa. Mary was born in 1968 to Darlene and the late Richard Caswell. Beloved "little" sister of Lori Caswell and Judy (Dan) Gill. Dear Aunt to Sara Zmudzinski (Nick Estes), Natalie (Rob) Bjerregaard, Evan Gill, and Noah Gill. After graduating from Greendale High School in 1986 she went on to study Anthropology at UW-Milwaukee. She was fluent in Spanish and Italian and met lifelong friends while studying abroad in Honduras, Spain and Italy. She traveled the world including brave solo treks to the South Island of New Zealand and Sicily. She also shared many happy times with family and friends at her timeshare in New Orleans, where she volunteered with Habitat for Humanity. Mary also loved to bike, read, dance, write poetry, and spend time with her many cats. Her whimsical sense of humor will be missed!

A private family celebration of life will be held at a future date.

Please celebrate Mary's life by making a memorial donation in her honor to the Wisconsin Humane Society, 4500 W. Wisconsin Ave, Milwaukee, WI 53208.

“ *I just learned of this on a facebook group today. I am a little shocked, we had reconnected on facebook a few years ago, she was back living in the "H" section in our old neighborhood. I wish we could talk again and hear you get mad at me for taking a vegan to a burger bar, "but they have salads" didn't cut it lol. Miss you Mary.*

“ I just learned of Mary’s passing today from my sister, and my heart feels heavy. I was shocked and saddened! I would like to share some memories in her honor. I really enjoyed Mary’s friendship in high school! Like Connie Williams said, Mary and I also would talk about the future and boys and just be silly! I remember her laugh and her energy! We’d talk about how it would be fun to put together an all-girls’ rock band like the Go-Go’s! We had fun in band together - I played flute and remember her playing the clarinet. We also had fun memories on the Southridge Fashion Panel together. I’ve thought about her several times since then and was glad to read that she had kept up her love for languages and dancing all of these years. To the Caswell family - I am so sorry for your loss. May God bless you and give you comfort. And may Mary rest in peace. With love, Lynn (Palisoc) Krueger

“ Even after all these years I am so grateful to Mary. During my most Geeky and awkward years Mary was a beam of light for me. She always knew how to have fun, open to adventures, and was intrigued with the unknown. I remember the first day after she passed her drivers license she pick me up and we went for a freedom ride in her black sassy car. We spent countless hours talking about boys, our future, and just good ol nothing. Mary was indeed instrumental in making my high school years fun. Mrs. Caswell, Lori, and Judy, I can only imagine your loss, but know that she is not forgotten in my heart and memories. Constance “Connie” Williams.
