“ Mary was a dedicated employee at GI Associates medical records department for 17 years from 2002 until her retirement in 2018. She was always remembered as a friendly, caring, helpful co-worker and patient advocate to make sure health information was complete for the best patient care experience. She was a pleasure to work with and will be remembered for her sweet smile and laugh. Our sympathy and thoughts go to her husband and family at such a great loss.

“ Mary knew how to have a good time. She was hilarious. Never a dull moment if Mary was in the room, especially when a good song came on.
