“ Matt was my friend for more than 55 years. My memories include us going to Boys' Tech football games, working together at Nowicki Hardware, riding in and helping him work on his 67' Mercury Cyclone, going fishing at his parents cottage on Green Lake, and our families vacationing together in Hayward. RIP dear friend

“ I was saddened to hear about Matt. Me and Matt survived grade school at St Josaphat. Then we met up at Boys Tech high. We started eat lunch together out freshman year. One day Matt says , "Let`s go outside for lunch". Well, we go outside and Matt pulls out a pack of Winston's, and hands me one. I told him I don`t smoke. He says, "Go ahead, have one" Well it wasn`t long before I had my own pack of Winston's. Thanks Matt !
