“ I can't believe it's already been 6 years. I also can't believe this obituary site is still up. Not reconciling with you before you died will be a regret I carry till my own death, but we'll talk in the new world. I'll meet you and Nana and Boppa and your dad by wherever the deer are eating. Love, Mama

“ My heart aches and I'm sad but I know she would want me to be happy that she is at peace and resting. She was always caring & loving and thought of others first. She would help anyone and cheer us up when she knew we were struggling. She was so proud of her daughter's and her face would light up when she talked about them. She loved them with all of her being and shared that with us. RIP Mindy, I miss and love you. See you again my friend, Cheryl Pauer

“ *There is nowhere close to enough space to share all of the fond memories of Mindy. I would quickly run out of room trying to list all of her amazing qualities. She was so proud of Iyla and Natalie and the impressive young women they’ve grown into. Even as it feels that every molecule of my being is aching, I am cherishing the fact that I got to spend so much time, over so many years with such an absolutely beautiful, intelligent and special woman.*
