“Dad you will always be my best friend and someone that I will never break a promise to. I will miss you always with all my heart and I promise to finish what you wanted ❤️. My heart breaks with you not here and I know you with angels in heaven who see you not only have a big heart but a good sense of humor. Earth lost an angel and the golden gates let him in. My heart is broken but I know you are not suffering.

“ So sad to have to say goodbye to you so soon. I'm always going to remember dating while we were teenagers, you working at the Paradise as an usher and you sneaking me in to the boys in company C and we got caught. I'm glad we kept in touch over the years. RIP my friend. ❤️ ❤️
