Our deepest sympathies to you both.

A great husband and father.*

You both are left with great and joyful memories to hold deep in your hearts

*This will never go away.
Know your Michael is in heaven and reached the goal of our purpose on life.*

He is looking down smiling at both of you and asking God to help and watch over you

God never turns down one of his angels

*May the peace and contentment not knowing this be your guiding light
Keep this knowledge and God close to your heart*
