“ Please accept our warmest sympathies on the passing of your mother and grandmother, Mireya. She was one of the most kind and sweetest people I have ever known. I personally worked with her at the Guadalupe Head Start program from when I started in 1987 until she retired. She always was wonderful to staff, children, and parents. What a lovely woman with a beautiful smile that would light up a room. My husband's children from his first marriage all attended the Guadalupe Head Start program or Guadalupe Center on Washington Street as it was called back then. He has five children, Thomas Jr. Raymond, Vincent, Natalie, and Isabel. with his first wife who has passed away, and I'm sure they all had Ms. Mireya at some point in their attendance at the Guadalupe center. They all remember her fondly. I'm sorry we can't attend my husband still works, and I don't drive much anymore due to health issues. May you find comfort in knowing that so many people loved her so much, and that she now is in heaven with the angels, watching over all of you. And may she rest in peace in God's glory.

“ My sincere condolences to the family of Carlos and Eduardo Negrón on the recent passing of your mom Mireya Negrón. I'm sure your mom will be missed by everyone in your families, extended families and those that knew her. May your family members all lean each other during your time of sorrow as your mom starts her new journey. I'm pretty sure you guys will always remember all the good times you shared with your parents, especially mom, when she was cooking a family meal. May your mom Mireya travel safely to her new destination to reunite with your father who will be waiting to hold her again in his arms. Together they will reunite with all their family and friends that departed before them. May your mom rest in peace

“ I only met this gracious lady once but I have heard so much about her, the love she gave and received from her adoring family. I'm sure she will remain a light in the world through them, and through little Violet Mireya we share as a new generation. Holding her friends and family in the light. Chris McLaughlin

“Mama Mia,” as her grandchildren so lovingly called her, was truly one in a million. Her kindness and compassion touched everyone. She treated my daughter Michele like one of her own, and with no family here in the USA, she became our grandma figure. She always welcomed us on holidays and special occasions, with a warm hug and a gentle smile that made us feel like family. We thank God for the blessing of knowing her, for the moments we shared, the legacy of love she left behind, and for the memories that will live in our hearts forever. Enjoy heaven, Mama Mia. We love you always. ❤️ Flor @Michele
