*My name is Doni Bartley and I am a former instructor of Omar at MATC. He came to us while still in high school, attending college during his senior year at Tenor. His maturity and mannerisms were a testament to his amazing character. He had other adult students that were twice and three times his age looking up to him. I would like to say that we, at MATC, took Omar under our wings but it was Omar who had lifted us. We were all so proud to see him graduate college before he even graduated high school! I have not had a student like Omar since, he is truly one of a kind and will be sorely missed. My heart goes out to his family and all his friends.*
