“ You were so kind, patient and comical all at the same time.
Although I didn't see you often, our conversations would pickup
where we left off. I know you are resting peacefully my friend.

“ I don't want to say goodbye
Because it's as if I don't say it
You will still be here
No, I don't want to say goodbye
But rather Hello, Orlando
To your presence within my mind
And in memory
Thank you for that.

“ *There are not enough words to express the positive impact Orlando has had in my life. Orlando was always positive, patient and understanding, you could couldn't ask for a better trainer, mentor and friend. Your "hermanito" will always remember you. Thank you.*

“ *The one thing I loved most about my dad was his perspective on things. He always tried to find the positive and make every moment a teachable event. I will miss his joyful self. Orlando was a great teacher, to EVERYONE! Many, many people have learned something from him because of his outlook on things. He always helped push people to be the best version of themselves. He was definitely loved by many and will be missed by all.*

“ *One of the many things I loved about Orlando was his sense of humor. To this day when I think about something he said, it makes me smile or laugh. I loved that he loved his family so much, and that he was always so respectful, helpful, and fun. He fed us well too! He used many opportunities to teach us things rather it be from the Army, or rehab, religion, food and more. Orlando was more than a co-worker to me, he was my friend. Loveita Thompson*

“ *I will always remember being so excited as a kid when you would visit FL. My favorite memory that you would have my brothers and I do is putting the straw through the potato. You will truly be missed Landy.-Rosa*
