“ I’ve only known Owen from working with him this summer at Leon’s but I’m glad I met him. He was such a sweet and smart young man. He would always talk about how he was so excited to finally be able to get his license since he’d always ride his bike to work; or I’d give him rides home after a late night shift. I loved seeing his smile with his brace face :) You are most definitely missed

“ I lived down the block from Dennis and Sue who used to watch Owen and Lily when they were little. My daughter Izzie and her friends Kerrick and Mikayla used to play with Owen and Lily. I talked to Owen often back then. He was such a nice boy. Izzie didn't realize until just recently they also attended the same high school. We are so saddened that Owen is gone. Deepest condolences to the family. We grieve deeply with you. -Steve Lesak

“ I remember when you were just a baby. You were always the smarter kid. I loved how you make anyone smile. How you light up a room. How truly silly and kind you are. I'll always hold your contagious smile in my heart with me always, along with your curiosity of the world. You made me a better person.
