

Patricia L Hauser

July 30, 2024

It is with a broken heart that we announce the passing of Patricia Louise Hauser or if you were her friend you knew her as Pattilu. She passed on Tuesday, July 30, 2024 at the age of 66.

Born August 25, 1957 in Lansdale, PA to Perry L. Francis III and Frances (Baker) Francis. The Francis family lived in Pennsylvania, Illinois, Iowa, and Delaware, but wherever they went Pattilu was someone everyone loved and remembered.

She attended Middletown Area High School in Middletown, PA; she shared many fond memories of her childhood there. Her family moved to Newark, DE in 1974 and she graduated from Christiana High School in 1976.

Pattilu was an excellent mother and loved her family and children with her whole heart. She would do anything for them even when she didn't have anything to give, she would find something to give.

She was a music junkie and loved to dance! To any music! She had a great one of a kind sense of humor. Pattilu had a love of all animals and looked forward to visits with her favorite dogs Willie, Lily, and Walter.

Her proudest accomplishment was graduating from Le Cordon Bleu Culinary

School in Dallas, TX. She loved to cook and make delicious warm your soul foods. She made sure there was no shortage of food around the holidays and always knew how to make a house a home.

Pattilu will be joining her parents and older sister Geraldine "Gigi" Drayer, in eternal peace. She is survived by her two children, son, Sampson Hauser and daughter, Lucy Hauser. She is further survived by her brothers; Perry Francis and Johnny Francis, sisters; MaryJo Francis and Kathi Francis.

If anyone has pictures or memories of her they would like to share please add in the comments below.

“ *I will remember a fun and loving Aunt. Although my memories are from a distant past, I will never forget pillow/blanket forts in the Delaware home. Quite a nice memory from my childhood. Rest peacefully Pattilu.*

“ *Wonderful memories in Kansas, Wisconsin and Texas - especially Halloween! We had too much fun during a weekend visit in Dallas - only took this pic. It's obvious we're out having a great at time - even the wind didn't stop us! I think I gained 10 lbs eating all of the delicious food she prepared that weekend. 😊*
