RJ

“ Our prayers and sympathy go out to the family of Pat and the promise of being with Rich are now complete. I was with the two when they meet in the 50"s and it was truly love from the beginning. We lost contact in the later years but never forgot the two as neighbors and friends. We will all miss them more than we can describe. Hold on to each other in this time of need, and remind yourselves of all the good times.
