“ We had so many good memories----working as speech pathologists for the Milwaukee Public Schools, going to Louie's Bar, volunteering at the Lakefront Festival of the Arts, meeting for lunch in the Third Ward and frequenting certain stores. Your costumes were memorable at my Halloween parties. One time, you and Nancy came as a bowling team. Another time you, Nancy and Jean came as beauty pageant queens. Your fake eye lashes were on backwards. I miss you, my friend. I believe you're up there with Chelsea and are at peace.

Love,

“ So many good times we had. Softball, concerts and just getting together with our friends and family. Those memories with you will never be forgotten.

“ How do you honor a friend of 60 years? So many memories with you, Sandy and Nan. Starting with the house on 18th street, playing softball, trips to New York, gardening, drinks, games, dancing and more drinks! You were fun, funny, smart and beautiful inside and outside. You will be missed more than you know. May you rest in peace and enjoy your time with Chelsea. Love you! Jean
