“ *Mrs wrobel was an inspiration. When she was involved with Gallery 218, I was there helping set up for an opening. She called Judith and said could someone come by and pick up the food she prepared because she wasn't able to get a ride. It wasn't that far away, and I knew exactly where she lived, so I went over and picked her up and brought her to the gallery with a HUGE tray of food. Then later after it was all over she said she was going to take the bus home. I was only in my forties and I wasn't taking the bus anymore ever, so I gave her a ride home again. Remembering that now, makes me kick my ass out of bed in the morning!*

“ *What a perfect quote to include in your mother's obituary, aptly describing her life philosophy. I will always remember "Auntie Pat" with a smile on her face, a kind, gentle caring demeanor, and a real interest to learn about you. You were blessed to have her as your mother and grandmother. And I as my great-aunt. Sending our sympathies and our love.*

“ We were so blessed to have Pat as a neighbor. I enjoyed many talks over the backyard fence sharing our love for gardening. She was a kind, compassionate person and I we will miss her.
