

Paul William Adams

August 4, 2024

Paul William Adams, 54, passed away on August 4, 2024. He was born in Manchester, England, and lived in Des Plaines, Illinois. Paul was the beloved husband and soulmate of Crista Adams. Their story will forever be everyone's favorite. Together, they raised two children, Maraya Adams and Samantha Adams, who thought of him as the ideal role model of a man, and an example of the kind of love they should aspire to find.

Paul's infectious laughter and gentle spirit made him a beloved figure to all who knew him. Paul had an extraordinary ability to brighten the darkest days with his humor and kindness. He was a pillar of strength and love, always ready to lend a helping hand.

Paul was a devoted son to Margaret Adams and his late father, Geoffrey Adams. His goal in life was to make them proud and provide his children with the same experiences they gave him. Paul's love and memories of his brothers, Warren Adams and Andrew Adams, were endless.

His uncle, mother-in-law, sisters-in-law, brothers-in-law, nieces, and nephews were deeply cherished by Paul. A million lifetimes could have not been enough.

“ Rest in joy Paul and may God comfort your family today and the days ahead. Great memories at Kraft on the QA team. It was great to have another Jersey boy and Yankee fan in the group. Jim Campbell Raleigh, NC.

“ Paul, was a good man who I had the pleasure of serving with aboard the USS Shiloh. We spent alot of time together during the 90's and he his humor, intelligence and comrade left a lasting memory. He will be missed until he greets at the gates of heaven. Can't wait to see him again. I pray for his family who is left behind. I know the loss is a whole that will never go away but I pray that you are comforted by the living God through Jesus Christ and the Holy Spirit. You are in my thoughts and prayers and you can reach out anytime. Justin Yuen, Maj, USAF (ret)

“ Paul was always the calming, optimistic and thoughtful leader. Knowing Paul in his work life through occasional discussion about one of the many projects he guided it was easy to see what a great all around person Paul was. Condolences to Paul's family and friends.

“ I remember the exact day that I met Paul. It was on July 27, 1997 and it happened to be my wedding day. He was about to marry Crista in two weeks and I had the pleasure of meeting him at the wedding as her plus one. We hit it off right away and probably spoke for about 15 to 20 minutes during a lull in the banquet. That's a long time if you consider that we had to meet and greet over 300 people! Paul was a wonderful guy, and I knew immediately that he would make Crista very happy. My heart breaks for Crista and the girls, and the whole extended family. We all loved Paul. He was a wonderful man, an excellent husband, father, and friend. He will be missed with love and respect.

“ Paul was a wonderful colleague at Reynolds. He was one of the first people to offer help when I joined Reynolds less than a year ago. He always had time for a conversation, and I didn't feel any hesitation in running my ideas by him. I can still picture bumping into him in hallways and seeing his smiling face.

Paul was a great human being, and I will miss him very much.

“ I have known Paul for nearly 20 years, initially as a work colleague, but he was a true friend, mentor, and leader to me. He demonstrated his personal qualities daily. He would treat you as a friend first and foremost, making time for you and giving you his full attention regardless of what you needed his help with; personal challenges, career advice, work issues, or just catching up, while doing this he would open up and relate to you at an individual level.

Paul led by example, always willing to help others. To try to fill the enormous void he leaves, his friends would like to help his family, which was his source of inspiration, please see this link for a GoFundMe in his memory:

“ As a work colleague who became friends with Paul at Kraft, Paul made the toughest days on the most difficult of projects bearable. His ability to laugh and make fun of the ludicrous situations we were in on a daily basis together was infectious and made the unbearable bearable. Always uplifting and dedicated to his teammates. I just wish I had a chance to see him again as I think I would just burst out laughing by just knowing what he was thinking about our past experiences. Paul was a gem of a person. Sincerely, Dave Carr

“ Paul was just a fantastic human. I had the pleasure of working with Paul at Reynolds. He was always there to lend a hand, providing guidance, leadership and sometimes just entertainment. Paul and I bonded over military service, always good natured ribbing. I am going to miss that. The world is a better place because of Paul, I am a better person for having known him and we're going to miss you Paul.

“ I’ve had the pleasure of knowing and working with Paul for many years at both Kraft and Reynolds Consumer Products. I can honestly say that I don’t know if I have ever met a more caring and genuine person. He was always the first to lend a hand, to help or to just be a friend. Paul’s desire to help others was evident when he coordinated lunch and learn sessions at work to improve people’s development or when he spearheaded the volunteer effort with RCP and Maine Township High Schools to benefit students and their families. He was very passionate about causes and always gave it his all. I hope he knew how proud all of us were of him for the things he did for others and the inspiration he was for each of us to be better ourselves.

My deepest condolences to Crista and their girls. Paul will be sorely missed.

“ Paul was such a great human. So kind and a wonderful neighbor. He and Crista saw me through a difficult time and were like family. I miss our neighborly talks, our community Halloween on your driveway, and seeing you around town. I appreciate your service Paul, but I also appreciate your friendship and how well you took care of your family. To Crista, Maraya, Samantha and all of his family and friends, know that I share in your sadness. But I feel so very lucky to have had the honor to know him. Rest easy Paul.

“ Paul was a great neighbor. He was always willing to help us when we needed it. Paul was always the first person out in the winter when it snowed. By the time we got out our driveway was done. Both Bob and I are going to miss him very much 🇺🇸❤❤

I will miss Paul so very much. Monday he would phone and check up on me. We always had a laugh. I am so happy you made it to New Jersey one last time. So much fun seeing you and crista. Doing yoga. And our Delaware canoe trip where you took me down the river and didn't tip the boat. You were a joy to your dad and I. And so very proud of you. Always in my heart always mum

I first met Paul in 2008 when I joined Kraft Foods - my first impressions of Paul was of a kind and straight forward person - easy to talk to. Most of my association with him began in 2018 when he joined RCP and later in 2021 when he became my manager. I have worked in the IT field for 30 years across multiple consulting and other companies and had lot of managers - Paul was the nicest and the kindest that I have ever seen.

In spite of the really busy work schedule in the last year, he still somehow found time to lead the various volunteer work at neighboring schools. He was always ready to discuss anything with me - from work, vacation plans, figuring out college education/ expenses for kids, mourning the loss of my parents etc. I am going to really miss him and those evening chats at work.

Crista and family ... my heartfelt condolences on your profound loss. During these challenging times, please know that your family is in my thoughts and prayers, and I am here to offer support in any way I can.
