“ *Many memories shared from our monthly dinners out, biking in door county (yes it happened!) our WII bowling nights (what a hoot!) to our Murder Mystery dinners - so much fun we all had. Your Mom will be missed. The good news is the happy memories come back to the forefront now. It was awful what she had to go through, not fair and didn't deserve it, but nobody does. But, she was loved (and y'all proved it these last few years) and in the end that is the only thing that really matters. and just as important, she LOVED.*

*I have never known a person that was so happy, kind and loving. She greeted with a smile, a hug and a big smooch :) Pauline helped anyone that needed help or a hug or a place to stay both human and animal. She lived a good and full life full of love. I am so very blessed to have known her and to have called her my friend.*

“ *Where do I begin. Such a special lady. From girls' dinners to going to plays to girls' trips, to couples' trips. So many memories flood in when thinking about Pauline. But now she has gone on to the open arms and welcoming smiles of those who have gone before her, leaving us with a heart full of so many memories yet so empty because she is no longer with us.*
