“ I still think of Phil often. We were in the same class at Life Chiropractic College. He was a gentle giant... I'm barely 5 feet tall, but he was the recipient of the very first adjustment I ever performed. Peace and comfort to all those who knew and loved him. Whenever someone mentions MN I always think of him, My MN friend. I know he passed from this Life several years ago... but memories live on. From Louisiana - Suzanne Watts, D.C.

I'm Jennifer, his wife, I'm sorry you didn't hear about his passing sooner. He had so many friends from all over, I didn't know how to reach everyone. Here in Wisconsin, he is very much missed by so many. ❤️
