“ *I worked with Phil at the OCPP when he first started there and we were on the same shift together as Electricians until he went to serve in the US airforce. He was a great guy to work with.
My sympathy to his family.*

“ Knew Phil through work at We-Energies. He had avast knowledge of OCPP and could provide info on electrical equipment/systems. Phil talked to me alittle on his final day about his career with WE. He also mentioned serving in the Air Force during the Vietnam War. Phil did electrical work at the bases he was stationed at. May Phil rest in peace.
