“ Rae changed my life and is a big reason why I have a chance to do something positive with my life. Rae protected me, motivated me, pushed me to limits I didn't even know I could reach, gave me hope, and was my brother. To this day I still use some of the things Rae taught me and said to me to keep me pushing towards my dreams and goals in life. The first day I saw Rae, I know he was a superstar. You still a superstar in my book💛👑 You'll live on forever through me and will always be apart of why I had a second chance in life. Love ya bro👑

Forever grateful, love and respect always,
Pitt

“ We are all devastated by the loss of Rae's life. With this being so sudden, we were not prepared for the high cost of a funeral service. We want to give Rae the memorial he deserves, to honor his memory and say our last goodbyes.

We are currently asking for donations to help cover the cost of Rae's funeral.

Please donate to our moms Venmo @andrea-rivera-24358 or my PayPal @riveralyd. If you are able, please consider donating, as any amount will truly help our family during this difficult time.

Thank you.
