“ I have so many memories of Ralph from my youth. The one that sticks in my mind is how particular he was of his cars. When I was invited to go with Kim to see the Cave of the Mounds I recall how nervous I was not to put my feet on the back of his front seat of the car and not make a mess! We had an awesome time and his car was still clean when we got back home! So very sorry for your loss. It's those memories that will help you through this difficult time. Lisa Tageson-Triscari

“ We enjoyed several nice visits with Ralph and Gloria in the few short years that we able to know them. One visit was very special when they stopped at our "up-north" country home on one of their last road trips. Ralph will be missed by many and may he now rest in peace and free of pain. God Bless his soul and all his family.
