“ *Rene, you left us too soon! We will all miss seeing you work on your semi cab. You worked on so many projects to make home improvements. You spent countless hours transporting each load to the city of its destination. Many lives benefited from your hard work. Your delicious barbecued ribs dinner was another measure of kindness to your next door neighbor. You made Lili and I laugh when you pulled weeds whacking them with tools!*

*I will remain close to Lili and Kanny in your absence. Until we meet again* ❤️❤️❤️
