“ Richard and his beautiful fur baby , Calli, enjoyed time in their garage more than anyone I’ve ever known. I know she was waiting at The Rainbow Bridge to welcome him- her whole body wagging happily to greet her favorite human to Paradise. May they find that garage in the sky to hang out together forever and ever.

You are both missed here in the hood.

Rest in peace together again.

Love

Oppps. - sorry I goofed. I knew Calli was a boy, but I always made that mistake because I have girls. He was a nice boy... Came to greet me at the mailbox tail wagging', and the minute Richard called him back, he obeyed instantly. I know they're happy together again. ❤️

“ He was a very good friend. His stories were wonderful and he was always there if I needed something. Friends like that only come once or twice. We miss you. David and Penny Rodgers
