Bob was employed by Allen Bradley for 35 years where he worked diligently as a Senior Supervisor of Electrical Maintenance. He spent many years dedicated to the festival committee for St. Roman Parish where he was a faithful parishioner for 49 years.

He loved going to deer camp at the hunting shack every year, not so much for the deer, but for the comradery and more importantly to do the dishes. Bob

loved to spend time tending to his backyard garden and cooking for his family. You would also often find him watching NASCAR and the Packers. He cherished spending time with his family and was a very proud father and grandfather.

A special thank you to the kind and compassionate staff at St. Luke's ICU who so lovingly cared for him especially during the times that his family could not be with him.

The family will be honoring Bob's wishes by having a private, family celebration of his life. Burial will take place in his beloved hometown, Berlin, WI, at a later date.
