

Rogelio P. Guarnero

October 9, 2021

On October 9, 2021, Rogelio P. Guarnero (Roy) arrived at his heavenly home. He was known to us as a brother, a father, a husband, and a grandfather to many children: Priscilla, Aracelie, the late Michael, Cristal, Angela, Maribel, Louis, Ydahlia, Ernesto Jr., Delilah, April, Mari, and Gavino and 30 great grandchildren.

His presence is greatly missed but he is rejoicing in his reunion with his father Gilbert G. Guarnero, his mother Jesusita (Susie) Guarnero and late brothers Arturo and Barney Guarnero. Roy's children, Blanca, Alma, Sofia, Rogelio (Helio), Marcelino, Ronald, Genoveva, Selena are saddened by the loss of their father but now he has a great view of them and his favorite team, the Dallas Cowboys. Roy is survived by his wife of 26 years, Jaqueline (Jackie) Guarnero and his siblings. Although Rosario Guadalupe, the late Arturo, Rebecca, Rodolfo, Rachel, Aurora, Robert, the late Bonifacio (Barney), Marie, and Jesse have lost a brother, there is joy knowing that they will meet again! Rosario Guadalupe led Roy in the prayer of salvation to Jesus Christ and his sister Rachel prayed Psalms 23 with him as he passed.

Roy's favorite restaurant, Omega's, has lost a valued customer. But now, he has met the true Alpha and Omega, Our Lord and Savior, Jesus Christ and he is resting in His peace, eternally.

Visitation Monday, October 18 from 10:00 AM to 12:45 PM at the ROZGA-WALLOCH CHAPEL followed by a Funeral Service at 12:45 PM. Interment Arlington Park Cemetery.

“ As many of you would know, my dad was loving person with a big heart. He was that type of man who would put other first before his self. Although he had many things going on his life my dad he always made sure everyone else around him was ok. My dad was always a family man. He loved to be surrounded by those who he loved dearly. I will always cherish all the moments we did with him as a family. When me and my siblings were younger my dad loved taking us to the park but before we went, we would always stop by Burger King or KFC to get food to eat at the park together. When Selena was in elementary school my dad loved to go to the school events together as a family such as breakfast with Santa. My dad would always go above and beyond when it came to celebrating our birthdays. He always made sure we had everything we needed and wanted. My dad also loved going as a family to the festivals such as, Italian fiesta, German fest or Indian fest. To eat different food and enjoy the different cultures together.

My dad is a man like no other, he's the strongest person I know. He gave me life, nurtured me, taught me, clothed me, fought for me, held me, shouted at me but most importantly loved me unconditionally. As he did with most of us here. There are not enough words to describe how important and amazing my dad was and what a powerful influence he was and would continue to be for us all. Dad I will always love you and miss you and I'm truly thankful for all you have done for me.

“ I loved my Father. Although we lived a distance apart with myself in Texas. it waS understood between us that as his daughter i could always come to him if needed. My Father taught me independence as a young girl and he was the first to teach me how to cook mexican rice. He was a Man proud of us and a strong believer in family. I carry that a heritage as i do thru the strong support of my My husband, five children, Mother, and siblings. My prayer is that his passing draws all of us closer together as he would like. God Bless all!
