“ I just found out and was just in Wisconsin or else I would have stopped over. To Judy, Stephanie and Paulette, now he is playing wiffleball with Wayne again and sharing a few laughs on his beloved Wisconsin sports teams. I had the pleasure of meeting and Roland being like a second dad to me growing up in Mukwonago. Thanks for the golf tips Sir!

“ My uncle will truly be missed! He had a heart of gold like my grandma and never judged anyone and would give you the shirt off his back with no questions asked. Although families grow apart as we get older, the memories we never forget. Rest In Paradise Uncle Roland and give grandma a twirl on that Golden dance floor

“ My deep sympathy to the family, especially to Daryl and Julie who, along with Roland, were part of the South 26th St. gang as we were growing up. We had great times in a safe neighborhood and Roland's passing brought back many happy memories. Unfortunately I lost contact with the Ransoms after they moved from the apartment above Hoffman Plumbing. I remember Roland as a great and decent kid, and it sounds like he continued that into adulthood. God Bless.
