

Ronald "Ron" L. Szymanski

July 6, 2024

Born to Eternal Life July 6, 2024 at the age of 83 years. Loving father of Steven (Honey), Lauren (John) Baltz and Julie (Ben) Wood. Beloved grandfather of Hope and Michael Szymanski; John, Emily, Brandon, Hannah and Jenna Baltz; and Gianna, Emmett and Erica Wood. Dear brother of Suzanne (Raymond) Kroupa and Diane (David) Heath. Also survived by many other relatives and friends.

Ron is preceded in death by his father Leo, Mother Irene and brother Richard.

Ron was a lifelong learner and teacher. Nothing pleased him more than helping others understand and act upon their God-given talents. Faith and family were central to Ron's being and existence. He was a devout Catholic who committed each and every aspect of his daily life to expressing his love for God and faith. He expressed this same love for his siblings, children and grandchildren. Tears of joy often flowed when he talked about his faith and family. There is no doubt that Ron is and will be missed, but the lasting impressions he left with each of us will live on.

In lieu of flowers, memorials to the St. Josaphat Basilica Foundation are appreciated.

“ Uncle Ron was a such a disciplined, devout man who loved everyone he came in contact with, especially his family. His love for the Lord surpassed anything and I know that he is now in heaven praying for his family more than ever.
I regret that I won't be able to attend Uncle Ron's funeral but our sincere condolences to the family and all our love.

“ Grandpa, I cannot thank you enough for the impact you’ve had on my life. The wisdom you have imparted on me since youth has served me well in this challenging journey we call life. You faced many challenges of your own during your illustrious life, however, you always overcame adversity with your undeniable strength and determination. I, too, try to have that same warrior mentality each and every day. Your exemplary character always stood out to me. You have instilled confidence, knowledge and a sense of rightness in me. In general, you have influenced so many people in positive ways. I will never forget the countless times we sat at your dining table revising my school essays, or the times we visited museums, attended the state fair or had extensive conversation about history and politics. I always enjoyed our stimulating conversations. The mark you have left in this world will go unnoticed. I recognize that you are in a better place now but you will be deeply missed here. I take comfort in knowing that you no longer have to physically suffer. I promise I will continue to strive to be the best version of myself every day. I will never give up on my dreams and will live my best life like you always wanted me to. I love you grandpa. Rest in peace. ☐

“ *If this is the teacher that taught at Custer High School in the 60's I would just like to say thanks for the kindness and knowledge you passed along to me. You were so easy to talk to. Peace and grace to his entire family.*
