“ Tammy and Jeff, we are so sorry for your loss. It is hard to lose a parent. Ruthie was such a beautiful person. Such a great personality and style. One of my favorite aunts. Loved her deviled eggs on Christmas Eve and the company of your mom and dad. On the holidays. Sharing their home for a few hours was always fun. One of my favorite memories as she grew older was I gave my brother Bob and Rita Kulinski an old Milwaukee book with pictures. She could comment and give us history on almost every picture. Loved one of my last memories of her. Love her.

“ Tammy and Jeff, my deepest sympathies to you and your family. I will always remember your mom as a strong and beautiful woman. I know this has been a difficult time for you and I pray you find strength and comfort knowing she has found peace with our Father. Love to all, Jane.

Tammy and Jeff, I was so sorry to hear about your mother. I think back to Jr. High and she was always put together, kind and helpful. We know the time will come when our parents are called to heaven but it is still a shock. At least we know that she is seeing what we have been believing. You are all in our prayers.
