“ When Sandy joined our Badger Winners club, she jumped right in and gave it 100%. She always brought thoughtful gift bags, supplied us with Christmas cookies (and cake pops!), attended the national conventions, and generously hosted several gatherings at her home. We will miss her level-headedness and dry sense of humor. I am sorry she had to experience so much pain and trouble the last few years and sincerely hope she is in a better place. My sympathies to her family, who always came first!

“ Sandy was my friend. We were friends for some 57 years. Not to many people can say that now a days. In good times and bad in happy times and sad we stayed friends through it all. She was like a part of my family. God bless her , now she is an angel in God's heaven.

“ Sandy is my sister. She may have been bossy at times but I know she was taking care of me and looking out for me. We had so many fun silly and goofy times and I will remember those forever. She will always be with me in my heart.
