“ *Sandy and Lee were my next door neighbors and became like family to me. I'll never forget on a rare ice event here in Arkansas looking out my window to see Sandy slip sliding toward my mail box. I asked what she was doing and she replied that she was going to bring me my mail. I had to convince her it was not necessary and to go back before we needed an ambulance for her. She was a caring and loving person, I feel honored to have called her my friend.*
