

## Sheree A. Gutierrez

October 31, 2022

Our dearest mother and wife, Sheree Gutierrez sadly passed away on the Eve of all Hallows, at the age of 66. Her whole life was dedicated to her family. She was a wonderful mother who was always there whenever we needed her. She gave all that she had and so much more for her family. She was truly an angel sent from above.

She saw the light in everyone and gave with no regrets, always from her heart. Whether it was a stranger, friends or family she would do whatever she could to help those in need. She will be known for her kindness, understanding, generosity, sympathy and unconditional love.

Sheree was a well-loved member of her community where she was a nurse for 15 years at the Milwaukee VA Medical Center. With the power of her touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, she tended to all her patients hoping to turn their lives around.

She lived her life to the fullest, traveling near and far, always meeting new people along the way. She inspired to see, taste and try new things and to share these meaningful experiences with friends and loved ones. She took her children to Florida, Mexico and cruises throughout the Caribbean, just to name a few adventures. She fell in love with Hawaii, the flowers, the ocean and the sunsets. No matter where she traveled, she was always shopping,

looking for antiques or gifts for her family and friends.

Sheree you were the very best of us all, but our Lord has decided to lay you to rest. No more hospitals, no more pain. Just the beautiful memories you left us. Now your journey as an angel by God's side begins. I know you will be watching over us all, giving us love, strength and the will to carry on. It your time to be at peace with God.

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away."

“ Sheree was such a sweet lady. When she came into our office she always asked me how my little girls was doing even if she was not feeling well herself. She always had a smile on her face. She will be dearly missed.

“ *Sheree was a wonderful nurse. She helped me alot with my SO Don Newell and taught me how to care for him at home. Great sense of humor. May God hold Tim in the palm of his hand while he mourns her passing. Rest in Peace Sheree.*
