“ *Dear Stadler Family*

When I first came with Gus to Milwaukee, Mr. and Mrs. Stadler welcomed me like I was a part of their family. I remember how sweet and caring they were to me every time I visited their home. I heard beautiful stories of their youth, and I met the entire Stadler family. I felt around Mr. and Mrs. Stadler at home-just like in Poland. I will never forget their kindness and warmth, and how they loved to polka! I know that they are now together and in great hands. We will miss them dearly.
