“ *I am still in shock that we've lost my beautiful friend Stephanie (our daughters were classmates in the past). Still trying to comprehend at this time. She was such a light for me and always so helpful. Grateful to have seen her and received amazing encouragement from her just last Monday. We shared some all-star hugs. She was one of the brightest rays of sunshine I've ever known. My heart is broken. Wish I could attend the service, but am leaving town in the AM. My sincerest, deepest condolences to her family and beautiful, sweet daughter. She will be greatly missed!*

“ She was my daughters K4 teacher last year. Still in disbelief that shes gone. My heart goes out to her family and prayers in this difficult time. She was always happy. She lit up the room with her smile. She was a great person with a heart of gold. She made such a big impact in my daughters life. She meant so much to her. She will always be in our hearts, never forgotten. May she fly with the angels. We were so blessed to have had the privilege of knowing her. My deepest condolences such a beautiful spirit taken too soon.

“ *My heart and deepest sympathy goes out to the family. Ms. Blankenheim was a beautifully spirited person who loved teaching. I will always remember her enthusiasm and energy she brought to those around her. I remember visiting her classroom and how excited she was to tell me how much she loved the song Happy, by Pharrell Williams. She made you smile and will be missed dearly by all who were blessed to have her in their lives.*
