

Susan J. Riley

June 30, 2024

(nee Demitros) Was called home on June 30th 2024, at age 77, after a courageous battle with cancer. Susan was born in 1947 to Walter and Ramona Demitros. She was a loving mother to John Riley and Jill (Neal) LeClaire. She was the proud grandmother to Kaitlyn, Krista, Morgan, Gavin, Erich, and Grace. She was the cherished sister of Judy Trock and aunt of Nick Trock and Kelly (Mark) Lindgren. Sue was also blessed to have two friends that were like sisters to her, Luann Lang and Sandy Seitz. She is also survived by many other family members and friends.

Sue was preceded in death by her parents and her brother in law Michael Trock.

Sue worked at a law firm and then began her career with the United States Postal Service which she retired from in 2008.

Sue loved to travel and did so at every chance she got. She traveled for work, with friends, with family, and even by herself. She found beauty everywhere she went. She also enjoyed crocheting. She was known to make booties and blankets for the babies, afghans for many, outfits for Jill as a child.

Sue was independent until the end. She had a wonderful time living at the Foresthill Highlands with her cat, Ming. While there she developed many

friendships and will be missed by many. She completed home improvements by research, determination, and trial & error. Her garden brought her such joy.

Sue will be deeply missed by her family, friends, and community, but her spirit will live on in the many lives she touched.

The family would like to thank the healthcare team at St Luke's for the excellent care she received. In lieu of flowers, donations to the American Lung Association or Victory of the Lamb Church.

Memorial Gathering Friday, July 12, from 9:00 - 11:00 AM at Victory of the Lamb Church(11120 W. Loomis Rd Franklin, WI) followed by a Memorial Service at 11:00 AM.

“ *I am so sorry and saddened to see that Sue is gone from this earth. She was a wonderful woman and she made my job better by being there. I remember when we were in upper Wisconsin, I almost got her traded to this guy for his horse - we both had a great laugh! My condolences to her family! ❤️*

I got to know Sue when I became the Ambassador of the building she lived in at Foresthill Highlands. She was always so kind and joyful at our weekly social hour. When I would water the flowers and bushes in front of her building, I would often go to her patio door and stop in for a chat and a hug. She became a dear friend and I am going to miss her smiling face and positive attitude.

I worked with Sue at the Milwaukee Post Office where she was in charge of "introducing" the administrative offices to the computer age. She eventually achieved this hard-won goal. Sue was always smiling and cheerful and had the patience of a saint. We were not only co-workers but also friends in a group that shared fun and games "off the clock." Those good times remain long in my memory. Rest in peace, dear Sue.
