“ Susan and I became friends in ninth grade and both of us became teachers. I left the Milwaukee area after I married due to my husband's job. Susan and I continued our friendship through letters, phone calls, and an occasional visit. In September of 2010 my husband and I enjoyed the time we spent with Susan at the 125th anniversary celebration of St. Vincent de Paul Church (my home church). John and I attended the celebration dinner and the mass, and toured the school with Susan as our personal historian of the parish and school. She spoke of the many changes at the parish and how she continued to support the church with her faith in God. We will miss Susan's kindness, thoughtfulness, and friendship. May God be with her.
