“ Just learned of Sue’s passing. I worked with her over 40 years ago for a couple years at then Wisconsin Telephone (AT&T). I recall the many chats we had over breaks, during work, or at lunch in the cafeteria. Those talks included many laughs and also many serious discussions. Her professionalism, kindness, and caring were always evident. Not only was she dedicated to her employment at “the phone company”, but more importantly she always spoke of her love for Bud and her family. May all of her family and extended family treasure the many gifts and memories you have of Sue. She was a wonderful lady!

“ There are so many things I can say about my cousin Suzie. Sweet, loving, kind, gentle. I was amazed but not really surprised that she and her late husband Bud gave love and tenderness to so many children in need. She will be missed by all who knew her, and were touched by her love. With much love to her siblings, my dear cousins, Linda, Donna Lee, George, Lori, Philip and Naomi. I am so deeply sorry for your loss. Love,
Alison (FNA Peggy)
