“ Dad, (Enel) I’m going to Miss you so much! From the times you would come to visit me at work, to the countless car shows we have been to together. All of the festival’s we used to attend together. I’m going to miss you calling me on the phone, especially for the last phone call we had together. You called to ask if I could pick you up from the hospital. If I could have helped you make your escape like you wanted me to I would have did everything in my power to help you out! I Love so much! You will be forever missed! Love, your Daughter, Lisa ❤️
