“ My deepest sympathies to Terry's family. Terry's mother Dorothy was my father's sister, making Terry my first cousin. I haven't seen him for decades, the last time was when he was running for alderman the first time. His dad, Louis, was so very proud of his political work and was an ardent supporter throughout Terry's career. My uncle Louis would often say, 'The ski at the end of Terry's name should garner more votes than any competitor'. Our families were very close in the 50s and 60s, gathering to party as a group several times each year. I fondly recall playing a board game called *The Reporter* with Terry and Mike during a Christmas holiday. And I was Mike's golfing partner when he aced the 5th hole at Grant Park. Terry was a good man who really cared about his fellow man. May God bless the Witkowski family and may Terry rest in peace.

“ Terry's public service was commendable, and he brought a lot of care to the work that he did both in the Garden District and the surrounding areas, and in the community at large through his leadership. His direct nature and kindness will be remembered by many, and his dedication will serve as an example for years to come.

“ Bless you Terry! You were always a strong pillar in the neighborhood. I'm proud to have memories of delivery your Milwaukee Sentinel every morning during the 1980's and appreciate our conversations during this time while I was growing up. I always looked up to you and certainly appreciated your generous tips for delivering your morning paper. We will miss you.

“ This week we lost a true community leader. A man who took the words civic responsibility to a new level. Even after retirement, and throughout his battle with illness, Terry worked tirelessly to improve the quality of life and bring joy and beauty to "The Garden District" Terry was a doer and always had a list of new projects in the pipeline. I will truly miss our breakfast meetings at Copper Kitchen or lunches at On the Clock, discussing and strategizing how to "get er done"

Terry was very humble and would always give credit to others, including me.

I'm here to say that without Terry, there wouldn't be a Green Corridor, Community Gardens or Winter Wonderland.

The world could use more people like Terry, and I will greatly miss him!

“ My sincere condolences to the family and friends of Terry.

Terry took my wife, Diane, and I on a tour of the Garden District in his classic Studebaker, which I won in an on-line auction supporting the City's combined giving campaign. Terry was very passionate about and proud of the Garden District. He really made a difference in the 13th Aldermanic District. Thank you, Terry, for your service to our City and Aldermanic District.
