“Dad, Barb, Tina and family, I’m so sorry to hear about Tom’s passing. While I didn’t see him often, the moments we shared will always stay with me. His playful nature and knack for catching me off guard—especially with his classic “What’s that on your shirt?” trick—never failed to bring a smile to my face.

*He had a way of making even the simplest moments feel special, and I’ll always remember the laughter he brought into our lives. My heart goes out to you and everyone who loved him.*

*I’m sorry I won’t be able to attend his celebration of life, but please know I’ll be thinking of you all and holding his memory close. May his memory bring comfort in the days ahead.*

*Thinking of you all during this difficult time.*
