“ My memories of my brother Tom, he was a great brother growing up. We had our fights like all siblings do, but we always had fun too. He was always competitive when we played games or sports. He was also helpful, he helped me get over my fear of water, and taught me how to swim, through bribery, but it worked. He also helped teach me how to drive. I had a lot of people doing that but I have to admit, he had the most patients. Tom also had a contagious laugh and smile. Growing up he used it I think to get him out of trouble with our dad. He laugh until dad would tell him to leave his sight, but then after Tom would go , my dad would start laughing saying THAT KID! Tom was also generous with his time. When anyone needed him he was there for them. He came to my aide many times. Tom had a servants heart as big as big can be. ANC now he's gone. I know he's in a happier place with our dad, relatives and all his sports heroes. Tom was a wonderful brother, great son, a blessing as a husband to Sandy, loving father, the best grandpa, caring brother in law and so much more to everyone he came in contact with. I will miss him so very, very much. I know his heart was so big, that a piece of it is in all whom he touched. And our memories of him will keep him alive, as long as we have stories to tell. You'll always be with me Tom. And as you said in your last text to me. I LOVE YOU TOO 💕💕

“ My sincere condolences to Darlene on the recent passing of your brother, Thomas and Kens brother-in-law.
I may not have known your brother but he was someone special to you and Ken and your entire family.
May god bless you and your entire family during this time of sorrow.
As for those that knew your brother and worked with him, they too are also feeling the loss of a friend.
As your brother ventures on his new journey in life he will be met with open arms by those that have gone before him.
May he rest in peace.
Your former co-worker

“ The death of my brother still stings, I can't believe he's just gone! All I have now is the memories and what he taught me. Like keeping your promises, because he always kept his. He never judged anyone so he taught me not to judge people. If you'd called him for help and he was able he wouldn't say no. If it wasn't for Tom I'd probably still be lost in Waukesha, because he would be the one to come find me before I got GPS, If I wanted to know anything about sports, any sport, Tom was the first thought. I'm glad he got to see the Bucks win in his lifetime. If my brother Tom was ever angry with me I wouldn't have known because when he saw me he would smile and give me a hug. I'm so proud and lucky that I got to have him as one of my brothers. I know he's in heaven, but it doesn't make this easier for the rest of us who were left behind to live without him.
We'll miss him every day. 💔

“ I had the pleasure of working with Tom for 16 years. Throughout those years he became not only a co-worker, but a great friend. Tom's dedication to his work, customers, friends & family goes above & beyond anything any normal human being would do. He was truly a gift from God & one of a kind. I will always remember his laugh & daily stories he had for us at work. I have no doubt Tom will continue to watch over all those he loved from up above.

The shock of my brothers death is still stinging, I can't believe he's just gone! Tom was always there for anyone who called him for help. He taught me to always keep my promises, because he always kept his. If it weren't for Tom I'd probably still be lost in Waukesha because he would be the one to come get me before I had GPS. He never judged you no matter what., just offer advice, so I learned not to judge people. If my brother Tom was ever angry at me I wouldn't ever know. He always had a smile and a hug for me when I saw him. I know he's in Heaven and I know I want to be even more like him so I can see him again. I am so very proud and lucky that I got to have him as one of my brothers! I'm glad he at least got to see the Bucks win in his lifetime. Anyone who knew Tom knew how much he loved sports. I know he wouldn't want us to be sad, but how can we not? I will miss his smile, and I will treasure the memories, because now that's all I can do. 😞

“ To Toms family; I was just so upset with the news of Toms passing that I received today. Tom and I have been working together for some 30 years. I have been piping in the equipment he sold since his days at Delta compressors in Illinois. He was truly a pleasure to know and work with. I have not met any of you, but I know of you from my conversations with Tom. I am just so sorry for your loss. I will really miss him and I send my heart felt condolences to you. Tom was a great human being and I know God will take good care of him. Sincerely Bill & Diane Buffa- William Buffa Plumbing.

“ Jesus was waiting for him with his hand out
"Welcome home my loyal and faithful
servant."

*There are no words adequate to describe
what has happened to his family and no
words to describe the great loss to all who knew him. May God
bring peace and love to your souls during this difficult time.*

*Dad, we miss u so much. U had an impact on so many people. There
is such a huge hole in all of our hearts right now. Your the best father
and mentor that a son can ask for. I have never seen such a devoted
grandfather as u. U will always be in our hearts.*
