“ Just finding out about Tim's passing today. I am shocked. I tried calling him yesterday and phone was disconnected. I did an online search today for new number, and an obituary came up. Known Tim for a number of years . He would come into the recycling center I worked for. In 2016 when I retired , he contacted me to do some odds and end jobs for him. He was a great guy and friend. We stayed in contact after I moved from Milwaukee late 2018. My sincere condolences to his mother and father and extended family members and Friends.

“ I remember Tim as the on site caretaker of the Washington Heights apartment building I lived in years ago. He was always so friendly whenever I ran into him, and prompt to help me out when something needed fixing. We shared a deep love and admiration for kitties as I recall. There were quite a few of us with cats in the building as I think back...with occasional escapes into the hallway! I am sad to hear of Tim's passing - he was such a kind man and he left this world way too soon. My prayers go out to everyone who knew and loved him.
