“ Todd, I can't believe you're gone. I truly mean I can't believe it! I will always remember your sense of humor. It was one of a kind. But I always understood it. I remember how you would listen to the radio in your room and with almost every song, you had your own lyrics!!! They were usually..... I mean ALWAYS inappropriate, LOL. You never even sang those words off key. It was like you rehearsed (but I knew better). Your light heart and optimism often had a way of calming my nerves.

*I haven't seen or had a conversation with you in quite some time. The opportunity to do so goes unspoken. But I know in my heart, I'll see you again someday. Rest peacefully. God prepared that special place for you.*
