

Whyman J. Hassel

May 12, 2026

With heavy hearts, the family of Whyman John Hassel shares that he passed away on May 12, 2026, at the age of 64.

A Milwaukee native, Whyman lived a life full of motion and meaning. As a truck driver, he earned distinction as a two-million-mile safe driver, a testament to his steady presence and dedication. Beyond his work, he was the kind of man who could light up any room and was always quick with a joke, a story, or a laugh that made others feel at ease. He found joy in the rumble of his motorcycle and the peace of camping trips shared with friends.

He will be lovingly remembered by his spouse, MaryKay, his children Whyman (Whitney) and Nicole (Adrian), and his cherished grandchildren Emery and Blake.

A Celebration of Life visitation will be held at ROZGA FUNERAL & CREMATION SERVICES - MUKWONAGO CHAPEL (225 Eagle Lake Ave, Mukwonago, WI 53149) on Monday, June 8, 2026 from 4:00pm to 6:30 PM with a time for sharing memories at 6:30 PM.

A special thank you to Dr. Annunzio, the many nurses in the Cancer Center and ICU, and the Horizon Hospice Care team at Froedtert for the compassionate support they provided to Whyman throughout his journey and

to his family in their time of need.

“ On behalf of Wyhman, and to Mary and his family. I had the opportunity to reconnect with Whman here recently. As he was dealing with his struggles. And even though I knew what he was going through it wasn't easy. He still was the kindest, gentlest most caring compassionate man I've known in long time. I knew from having talks with Mary, he was in alot of pain. But yet he was still a gentleman. Concerned about holding a door a elevator , pulling out a chair. Even after telling him that it wasn't necessary, that I got it. I was use to it. I understood what he was going through and I was there for him this time. He said to me, Not while I'm around. I remarked , A true gentleman you! Mary, is one lucky lady. To which his humor popped in. He said, Yeah, I tell her that all the time. Even in the face of his struggles. And what he may or may not have known that he was facing. I couldn't help but see the courage and the strength he was showing. To me vocalaclly he was going to give it everything he had. Whyman you fought hard. You gave it your all. Rest now God's Heavenly Home.

To Mary , I feel your loss, your pain the emptiness. I know the the pain is great and overwhelming. I will pray and ask God to give you strength. Each day to get through each day knowing that Whyman spirit lives by your side. But in a different light. Love you and God bless. Sympathy to you and all the Hassel Family.
