“ I have the privilege of working with Wilda during some of my years in MPS. She was an outstanding educator who was very instrumental in the success of the Bilingual Program. She was intelligent and a hard worker. I continue my friendship with Wilda after my retirement . We got together many times and always we laughed about past events we share together. She had a great love for her family. She was always talking about them and the things they were doing together. Wilda, I will miss you forever.

“ Gram I miss you. You will always hold a special place in my heart. I am glad you are resting and with peace. Thank you for accepting and loving me. I lost a mentor but know I will continue to put into practice the lessons you taught me and I will share them with Danielle and the kids so they know you too. Do what you say you are going to do and if you need to make changes, communists them. Never buy anything for full price. Be a giver and pray for the family among others.
