“ *My sincere condolences to the family of Bill Banach. It has just come to my attention of Bill's passing, and I am so sad for your loss. I served with Bill on the Hales Corners Plan Commission, and truly had an immense respect for his excellence and competence— and he was a sincere, honest, great person whom I admired for his expertise as well as his love for his wife and daughters whom he was so proud of. May your fond memories sustain you during this difficult time; and may God bless you and comfort you now and in the days ahead.*

*With sincere sympathy,
Marjorie Stahl

“ Marie, Natalie, & Julie,
I worked with Bill preparing the Consultant and Construction payments for the many projects that Bill’s Architects, and the Engineers oversaw. He was very meticulous when reviewing the invoices.

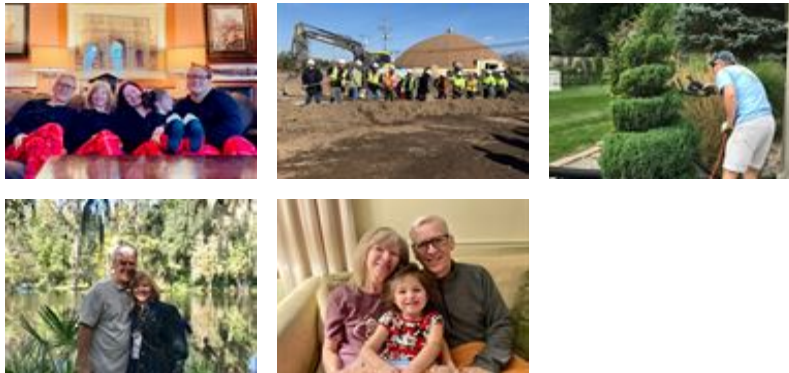

We were office early birds, which allowed us to discuss the invoices, and to chat for a bit and share many stories! If you ever went into his office, you couldn’t miss the plaster planter head in the corner. I suggested that it needed a hat! So I brought in an old winter hat to keep that “head” warm. We had many serious talks and some good laughs! Bill was a great man and fellow employee.

“ I will never forget when Laura and I were walking the neighborhood, Bill called out 'hey, I saw you at work today' which was quite the surprise. It turned out he started at the County just after I had, and on his first day he had seen me in the office when I briefly stopped down on the engineering floor but couldn't break away from this tour guide to say hi. Neither of us knew we had both found a new calling working for the County.

Our prayers are with your family. Brian and Laura Engel
