It is with deep sadness that we inform you of the passing of our beloved William John Rogers. Born to this life on August 01, 1971 and departed on February 06, 2024.

He leaves behind his mother Ann, his children Chelsea, Nathaniel, and Alexander (Ashley). His grandchildren, August, Adelei, and Ophelia. His brothers and sister, Anthony, Jessica, Francisco, preceded in death by his youngest brother Daniel. He also leaves behind many extended work family and friends.

William graduated from South Division High School in 1989. And was employed for a better part of his life at BBC Lighting and Liberty Tax Service. William enjoyed spending time with his youngest granddaughter whom he called "Lady O" , and other family. William was a lover of nature, animals and all the splendid wonders of the world. He had a corny sense of humor and enjoyed Star Trek, gaming, and crafting in his spare time. As a young boy he spent much of his time fishing at Kozy park and playing alongside his little brother Anthony.

We would like to give a special thanks to his daughter Chelsea who cared for him during the last days of his life and to his dear friend and father figure Gurmeet "Mr. Singh" Chawala for all the love, patience and support you

extended to William throughout the years.
