“ Grandpa...I am thankful for the 93yrs of life you lived and for the memories that I get to carry everyday! Most of my youth was spent at your house since I always lived close. From ripping down 20th street on my bike as a child and you chasing behind, Wildwood soda always kept nice and cold in the garage fridge, donuts from National Bakery on Saturdays and Hot Ham and Rolls on Sundays! Can't forget about most of the family's fall season being dedicated to selling pumpkins in your front yard. Speaking about front yards...you always had the best with the blanket like grass you could lay your head on and take an afternoon nap. Your door was always open and I am going to miss that. That was just the type of person you were, there was never a time that you would say no or turn anyone away. Heaven gained a really good one and I know you will be watching over the family from above just like you did when you were down here. Thank you for all the great memories and you will forever be remembered as the best!

Love You

-Christopher
